MEMORANDUM OF UNDERSTANDING
BETWEEN
INDIAN INSTITUTE OF TECHNOLOGY BOMBAY
AND
CHUBU UNIVERSITY

Indian Institute of Technology Bombay and Chubu University enter into this Memorandum of Understanding (MOU) and agree to the following terms and conditions with the intention of deepening the longstanding friendly relations between the two institutions and mutually striving to promote scientific and cultural exchange activities.

I. Cooperative Activities
Cooperation shall be pursued in the following three areas:

(1) Exchanging undergraduate students, graduate students, faculty and staff
(2) Exchanging information and documents which are of mutual interest; and
(3) Arranging collaborative research opportunities, seminars, meetings, lectures, club activities, and other events of mutual concern.

In order to carry out the above-mentioned activities, supplementary provisions may be affixed to the MOU after consultation between the two institutions. However, this MOU is not intended to create binding or legal obligations on either party, and neither party assumes any financial responsibilities by this MOU. Both parties understand that all financial arrangements will have to be negotiated and will depend on the availability of funds.

II. Mutual Communication
The Office of Dean for the International Relations at Indian Institute of Technology Bombay and the Director of the Center for International Affairs at Chubu University shall be responsible for communications and administration related to this MOU.

III. Intellectual Property Rights
This MOU shall not be construed as any transfer or assignment of any intellectual property rights between the two institutions.

IV. Term and Termination
This MOU shall become effective from the date of execution hereof and shall supersede all previous negotiations and agreements between the institutions relating thereto. Either institution wishing to terminate this MOU shall notify the other institution in writing at least six months prior to termination. Such notification shall not affect the terms of activities initiated prior to the termination of this MOU. This MOU shall
remain in force for five (5) years from the effective date. Any decision to renew or negotiate the terms of this MOU shall be made on the basis of mutual consultation between the two institutions.
